Dear Boy Scout Supporter:

Medfield Boy Scout Troop 89 will again be assisting with the town's recycling efforts by collecting the Christmas trees of Medfield residents on **January 2nd, and January 9th**. You have used our tree pick-up service in the past and we are hoping you will use our services again this year. All proceeds will support Troop 89's ongoing community service activities and future scouting events.

If you would like us to pick up your Christmas tree, please complete the attached form and mail it along with a donation check made out to **"BSA Troop 89"** to the address noted below. **We ask that you return this reservation form and a check to us by December 15, 2009,** or as soon as possible thereafter, so that we can begin our route scheduling. If you have questions about the Christmas Tree Pick-Up effort, please call Troop 89 at 508-359-1574 or email us at medfieldtroop89@hotmail.com.

Please recommend our service to your neighbors. Thank you in advance for your support!
